Dear Hiring Manager,

I am writing to express my sincere interest in the Infotainment Software Developer role at ECARX. As a seasoned software professional with a profound passion for innovative technology solutions, I am excited by the prospect of contributing to the development of cutting-edge solutions for your platform.

What draws me to ECARX is the opportunity to work on innovative projects that shape the future of technology. With my proven experience in designing and optimizing full-stack applications and cloud infrastructure, I am confident in my ability to streamline software delivery processes for your mission-critical applications. Furthermore, my expertise in Java/Spring Boot, React, cloud platforms, and DevOps practices aligns perfectly with your need for a developer who can leverage their experiences to improve workflows for other developers.

Throughout my career, I have consistently demonstrated a strong commitment to coaching cross-functional teams on modern development methodologies and fostering a culture of collaboration and continuous improvement. I thrive in multi-team environments, where I can leverage my overall understanding of complex systems and intricate integration processes to drive efficiency and innovation.

At ECARX, I am eager to contribute my skills and knowledge in tools such as Python, Java, Spring Boot, React, Cloud/Azure/AWS, Kubernetes, Docker, PostgreSQL, and modern CI/CD practices. My hands-on experience with these technologies, combined with my passion for the industry, makes me an ideal candidate for this role.

I am impressed by ECARX's innovative approach and accountable culture that enables teams to influence and make quick decisions. As a proactive and results-driven professional, I welcome the opportunity to shape the development of this role while contributing to the company's success.

Thank you for considering my application. I look forward to discussing how my expertise and passion can contribute to ECARX's exciting mission in developing cutting-edge solutions.

Sincerely,
Hongzhi Li
